### WED AL GONE OUT That Night

and It been *25 years*

~~ODD NIGHT WHICH WAS KIND OF MY FAULT BECAUSE ANOTHER FRIEND WED PLANNED TO TAKE SOME ACID THAT NIGHT AND EVEN THOUGH SHE SAID COME HOME WED DONE IT ANYWAY AT VARIOUS POINTS IN THE EVENING IT WAS KIND OF ALL RIGHT~~

## BUT WE ENDED UP AT A PARTY AT MY FRIENDS FLAT ON *hanley Square* and wed had a big

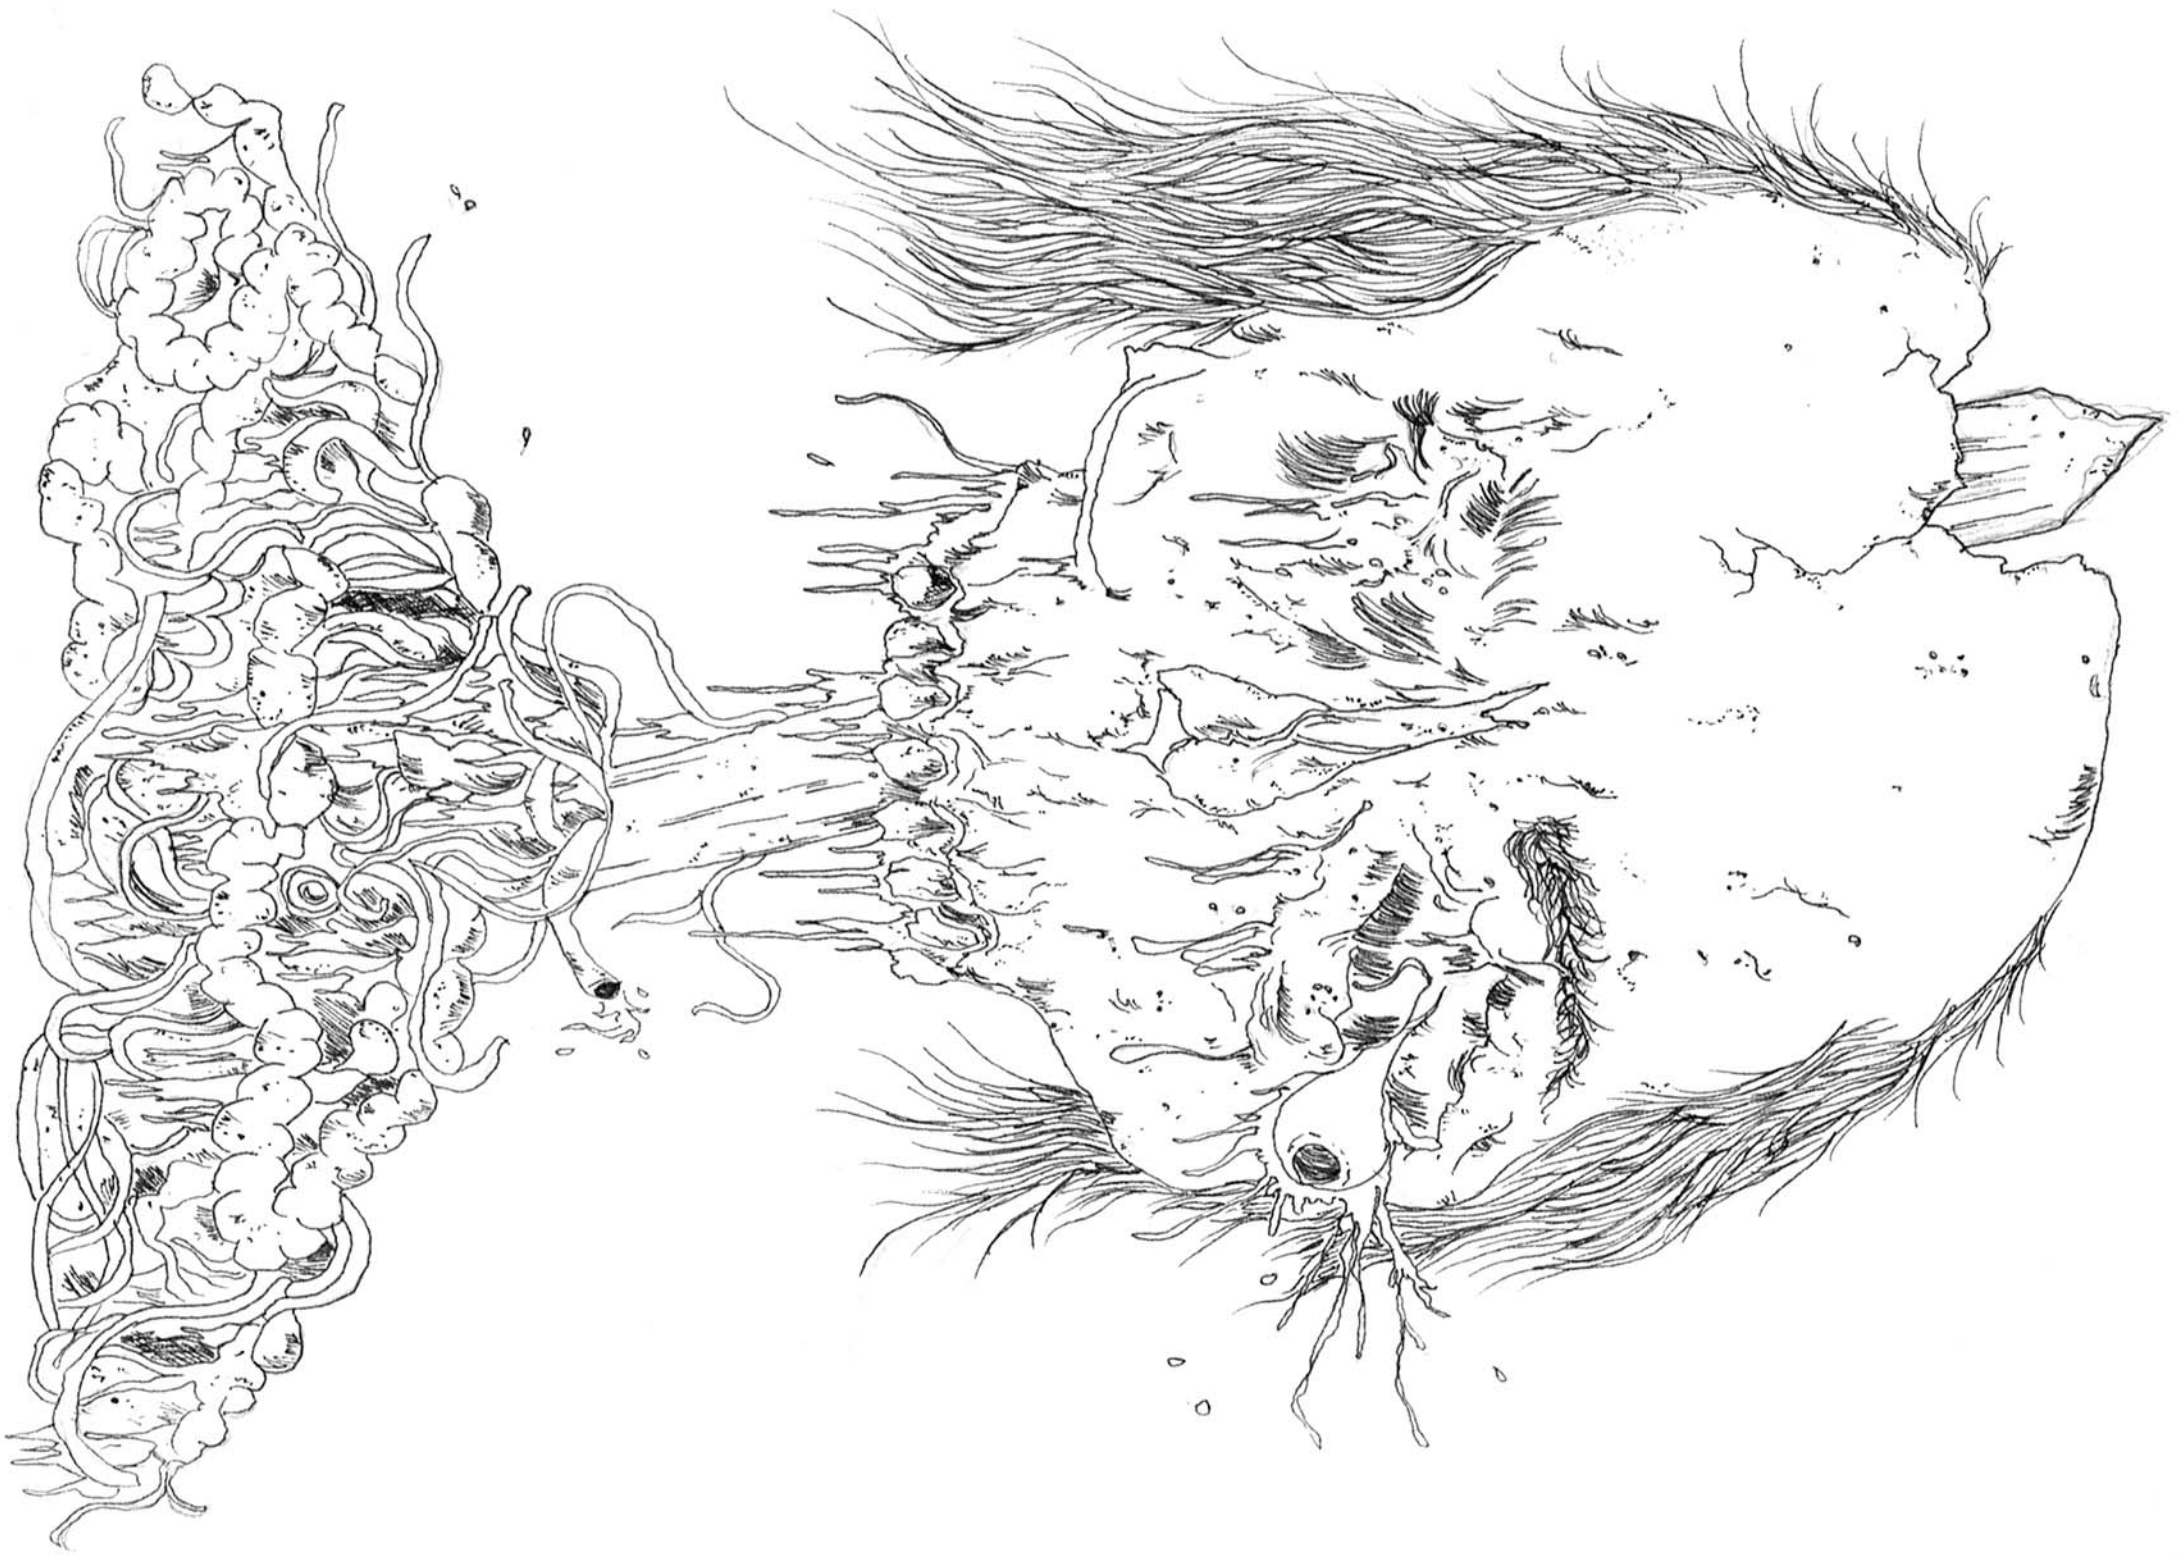

argument and shed gone home. It just seemed like it was about every thing and of brought about by the fact that I had taken this acid she wasent happy then I remember being back up in Cliftonville and it being quite windy but it just feeling really nice im writing about it because i cant

stayed an extra couple of hours in Margate. The bit of writing sort of started out like a story and ended up like a diary really.

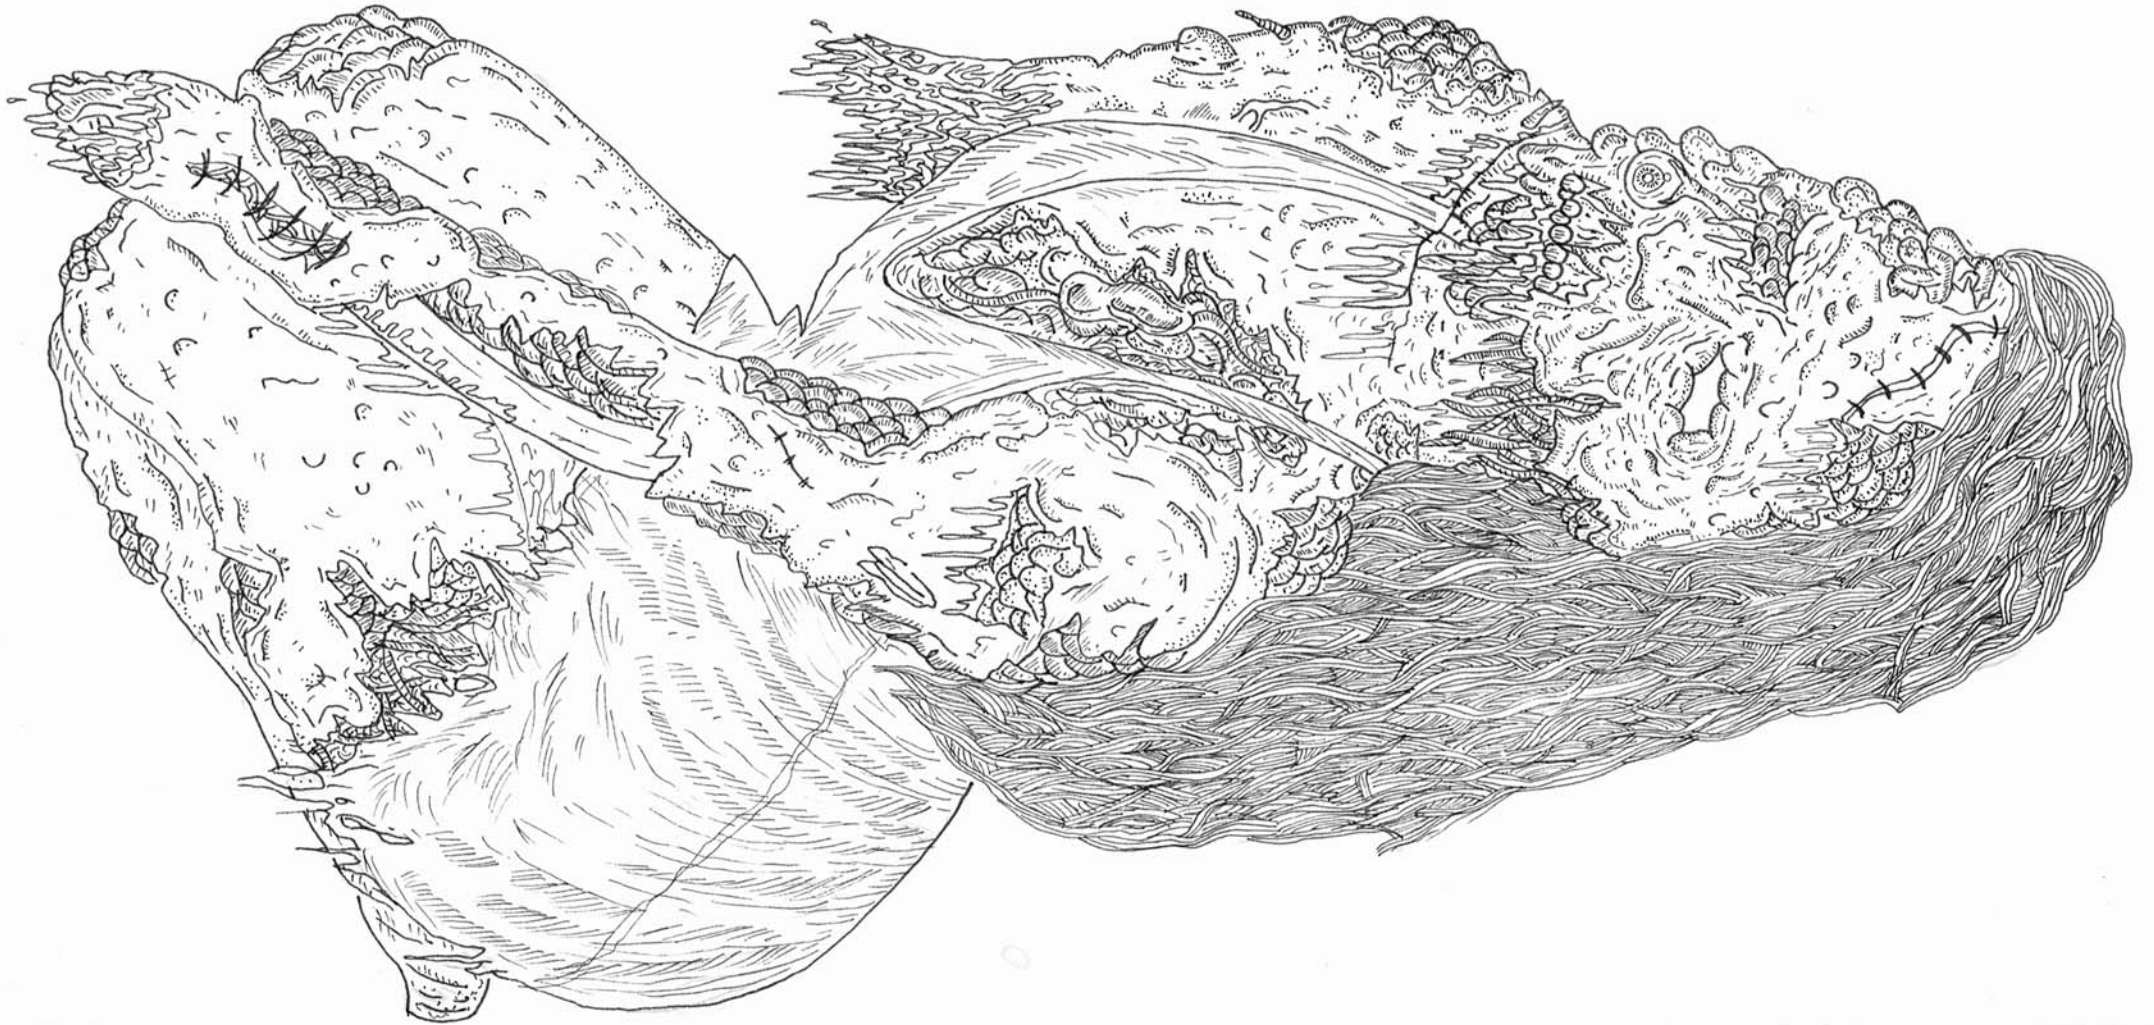

REALLY REMEMBER WHAT SHE WAS GOING ON THE SATURDAY SHE GOT BACK TO UNIVERSITY GETTING THE BUS NOW SHE WAS GOING TO SEE A FRIEND IN LONDON FIRST AND DONT REALLY UNDERSTAND WHY SHE'S GOING TO SEE THIS FRIEND BECAUSE SHE COULD HAVE JUST AS EASILY
